APEX TECHNICAL UNIVERSITY - ACADEMIC REGULATIONS & EXAMINATION POLICIES (2025-2026)

Section 1: General Academic Structure & Credit Framework

1.1 Academic Calendar & Semesters The academic year at Apex Technical University is partitioned into two regular semesters: Autumn Semester (August to December) and Spring Semester (January to May), supplemented by an optional 6-week Summer Term (June to July). Each standard semester spans a minimum of 90 instructional working days excluding examinations.

1.2 Credit Definition and Distribution One academic credit is formally defined as: (a) One hour of classroom lecture (L) per week per semester = 1.0 Credit (b) One hour of tutorial (T) per week per semester = 1.0 Credit (c) Two hours of laboratory or studio practical work (P) per week per semester = 1.0 Credit Undergraduate degree students in Bachelor of Technology (B.Tech) must complete a cumulative minimum of 160 credits to qualify for graduation. For B.Tech with Academic Honors, students must earn an additional 18 honors credits through advanced electives and a supervised capstone research thesis.

1.3 Maximum Allowable Duration A student registered in a 4-year degree programme must successfully complete all requirements within a maximum time ceiling of 6 consecutive academic years. Failure to complete all degree requirements within this 6-year window results in automatic cancellation of academic registration.

Section 2: Attendance Requirements & Condone Exceptions

2.1 Mandatory Attendance Threshold A student must maintain a minimum attendance of 75% in aggregate across all lectures, tutorials, and practical laboratory sessions in each registered course to be eligible to appear for the End-Semester Examination.

2.2 Medical Condonation Policy If a student's attendance falls between 65% and 74.9% due to verified serious illness, hospitalization, or representing the University in national/international academic or sports events, condonation of shortage of attendance may be granted by the Dean of Academic Affairs. To claim medical condonation: (a) The student must submit an official medical certificate issued by a registered medical practitioner along with discharge summaries within 5 working days of resuming classes. (b) The departmental faculty advisor and Head of Department (HOD) must verify and forward the application. (c) A non-refundable condonation processing fee of $50 per course is levied upon approval. Attendance falling below 65% under any circumstances cannot be condoned, and the student will be awarded an 'FA' (Failure due to Attendance) grade, mandating course re-registration.

Section 3: Grading Scale, CGPA Calculation, and Promotion

3.1 10-Point Letter Grading System Performance in each course is evaluated on a 10-point letter scale: • Grade 'O' (Outstanding): 10 Grade Points (Marks >= 90%) • Grade 'A+' (Excellent): 9 Grade Points (Marks 80% to 89%) • Grade 'A' (Very Good): 8 Grade Points (Marks 70% to 79%) • Grade 'B+' (Good): 7 Grade Points (Marks 60% to 69%) • Grade 'B' (Above Average): 6 Grade Points (Marks 50% to 59%) • Grade 'C' (Average / Pass): 5 Grade Points (Marks 40% to 49%) • Grade 'F' (Fail): 0 Grade Points (Marks < 40%) • Grade 'I' (Incomplete due to authorized medical emergency during final exam) • Grade 'FA' (Fail due to Attendance): 0 Grade Points

3.2 Minimum SGPA and CGPA Promotion Criteria A student is eligible for progression to the subsequent academic year provided: (a) Minimum Cumulative Grade Point Average (CGPA) of 5.0 is maintained at the conclusion of each academic year. (b) A student can carry over a maximum of 4 uncleared backlog courses (F grades) into the 3rd year, and a maximum of 2 backlogs into the final (4th) year.

Section 4: Re-evaluation, Grievances, and Academic Integrity

4.1 Answer Script Verification and Re-evaluation A student dissatisfied with their grade in the End-Semester Examination may apply for formal re-evaluation within 14 calendar days of result publication: • Step 1: Request photocopy/inspection of evaluated answer script upon payment of $20 per course. • Step 2: If a scoring discrepancy exceeds 5% of total marks, request blind re-evaluation by an external examiner with a fee of $60 per course. If the revised score varies by more than 10%, the higher score is assigned and 50% of the re-evaluation fee is refunded.

4.2 Academic Plagiarism and Dishonesty Penalties All student project reports, seminar papers, and capstone theses are subjected to similarity checking via Turnitin: • Similarity Level 0 (up to 10%): Permissible with minor citations. • Similarity Level 1 (10% to 25%): Student is required to revise and resubmit within 7 days. • Similarity Level 2 (25% to 50%): Disqualification from the current semester's submission and deduction of one full letter grade. • Similarity Level 3 (Above 50% or exam cheating): Zero marks awarded, suspension for one full academic year, and formal disciplinary notice on academic transcript.
